		Cultivar was ranked as a Top 4 Performer of all entries

  

**COMMENT:** SST0166 has been the top performer in the Rûens region for the past 3 years. Since 2016 the newly released cultivars such as SST0166, SST0117, SST0147 and SST0127 have consistently out yielded the older cultivars including SST056, SST015, SST088, and especially SST087 which had been the stalwart cultivar for this area over many years.
