Ranked on Average Yield (ton/ha) of all trial entries								
	SST 0166	SST 0117	SST 0147	SST 0127	SST 087	SST 015	SST 056	SST 88
4 year avg.		★						
3 year avg.		★						
2 year avg.	★							
2019	★							
2018	★							
2017								
2016					★			★

  

KEY	★	Cultivar was the #1 Top Performing Cultivar in the area trials
		Cultivar was ranked as a Top 4 Performer of all entries

  

**COMMENT:** SST0166 and SST0117 are the two top performers for the Eastern Rûens. This means that producers in this area can spread their risk with a choice between top-performing medium to longer growth period cultivars. SST0147 and SST0127 also produced very good and stable yields for this area, they are both constantly ranked as top 4 cultivars.
